Property: Golden tulip apartment

Report Date: 2025-10-15

Location: Westland

Data Confidence: Very High

Your Current Price: KES 9,000.00

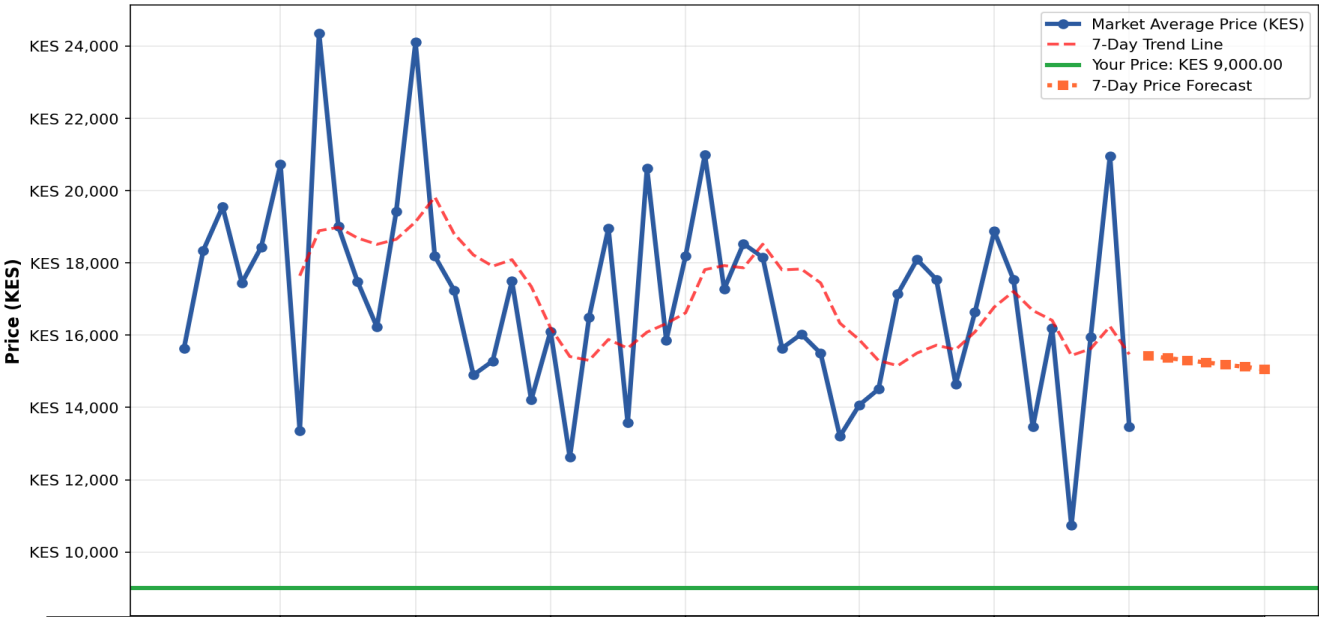

KEY BUSINESS INSIGHTS

- Market Average Price: KES 16,980.12
- Your Price Position: Budget Position
- Price Difference: KES -7,980.12
- Market Trend: Strong Downward Trend ■
- Competitors Tracked: 14
- Data Points Analyzed: 200

STRATEGIC RECOMMENDATION

Yesterday's market data indicates a strong downward trend in the Golden tulip apartment market. Your current price is significantly below the market average, which may limit your potential revenue. Consider adjusting your price to align more closely with the market average to maximize your revenue opportunities.
